

The RFL Equipment Shed is located on the grounds of the Rockville Civic Center Park behind the Glenview Mansion. Enter the Park at the intersection of Edmonston Dr. and Old Baltimore Rd. Continue on the driveway past the F. Scott Fitzgerald Theater on the right and then through the rear of the Mansion. Proceed down the steep hill, do not turn left into the parking lots. At the bottom of the hill you will see tennis courts on your right and a two story light colored building straight ahead. To the left of the building is a chain link fence and wide gate which will be open. Proceed through the gate. You will see a row of two sided, single story metal storage buildings. The RFL Shed is on the back, right left side of the buildings as you are facing the row. Park in the front area and walk around the left side and you will be at the shed. To get directions to the Park use Google Maps or Mapquest with the address 603 Edmonston Rd. Rockville, Md.
