

2009 Equipment Pick-Up Schedule

The Equipment Shed is located in the City of Rockville Facilities compound. Follow directions to the Rockville Civic Center and Mansion. Drive down the hill from the Mansion. You will see a chain link fenced in area at the bottom of the hill. The RFL facility is in the back row of the low metal buildings.

Please do not come at any time other than your team's assigned time or a designated "Make-Up". If you have two or more children playing on different teams or different divisions they must each come during their designated time.

No equipment will be handed out unless the player is present. Fitting is very important for the safety of your child.

There will be weekly shed openings during August for players that miss their scheduled time due to camp or vacations. These will be posted on the home page at www.rfl.cc.

July 22: 6:00 - 7:30 PM Pony Wolverines & Steelers
July 22: 7:30 - 9:00 PM PW Wolverines & Steelers
